GitHub: <https://github.com/Harsh-docode24> | Greater Noida, India

Profile Summary

Proactive Computer Science undergraduate with strong foundations in C++ and Python and hands-on experience in AI, computer vision, and backend development. Proven leader with experience as a Placement Coordinator and university sports captain.

Education

Degree/ Examination	Year of Graduation	Name of Institution	Performance (% /CGPA)
B.Tech in Computer Science Engineering	2027	Bennett University, Greater Noida	8.83 CGPA
XII	2023	Montfort World School	92%
X	2021	Montfort World School	93%

Projects

- A Dual-Model Deep Learning Framework for Dynamic Traffic Control [Python, YOLOv8, PyTorch, OpenCV]** Oct 2025
- Engineered a dual-model architecture integrating YOLOv8 for real-time vehicle detection and deep reinforcement learning for adaptive traffic signal control
 - Implemented emergency vehicle prioritization using “Green Wave” routing logic
 - Designed a modular system capable of real-time traffic density analysis and autonomous decision-making
- Vision-Based Basketball Shot Detection and Form Evaluation System [Mediapipe, Streamlit, NumPy, Roboflow]** Nov 2025
- Developed an AI-powered sports analytics system combining object detection and human pose estimation
 - Computed a Form Confidence Score (0–100) using biomechanical joint-angle calculations
 - Automated makes-versus-attempts tracking with trajectory-based instant feedback
- E-Commerce Price Comparison Engine [Python, Scrapy, Flask, HTML, CSS, JavaScript]** Nov 2025
- Built a web-based price comparison system using large-scale web scraping and real-time data pipelines
 - Developed a responsive frontend (HTML, CSS, JavaScript) and Flask REST APIs to serve indexed product data

Certifications

- IELTS – 7.5 Bands
- NVIDIA Certificate of Competency in Accelerated Computing with Modern CUDA C++
- Basic Hands-on AI Certification

Key Skills

Languages: C++ | Python | JavaScript | SQL | HTML/CSS

Frameworks & Libraries: TensorFlow | Scikit-learn | Flask | OpenCV | Keras

Technical Skills: Data Structures and Algorithms | Machine Learning | Deep Learning | Computer Vision

Other Skills: Teamwork | Problem Solving | Public Speaking | Mentorship | Leadership

Awards & Achievements

- Gold Medal (2024) & Silver Medal (2025) – Inter-University Kabaddi Tournaments 2024 , 2025
- Awarded Most Valuable Player (MVP) 2025
- Awarded AIU (All India University) Certificate for Inter-University Kabaddi Representation 2024 , 2025
- Dean’s List Award for Academic Excellence 2023

Positions of Responsibility

Placement Coordinator – Placement Committee, Bennett University

- Coordinated between students, recruiters, and the placement cell to support campus hiring activities

Captain – Bennett University Kabaddi Team

- Led a 15+ member team, planning strategies and driving consistent inter-university performance

State-Level Boxer

- Represented at state-level competitions for four years, demonstrating discipline and competitive excellence

Hobbies

Reading Fiction, Writing E-content, Coding, Managing YouTube channel
