SUMMARY

Motivated and diligent Computer Science B.Tech student specializing in Data Science. Proficient in C++, Python, and Java, with a strong foundation in Data Structures and Algorithm. Experience in machine learning, data manipulation, and analysis. Successfully implemented machine learning models for time series analysis and future value prediction, achieving high accuracy and consistent performance on real-world financial data. Quick to adapt and eager to learn new technologies, with a strong interest in building practical projects. Looking forward to joining a dynamic team where I can rapidly grow, contribute meaningfully, and enhance my skills.

EDUCATION

Bennett University

Bachelor of Technology in Computer Science C.G.P.A: 9.8

Current (2023–2027)

Greater Noida, Uttar Pradesh

Shree Mahesh Public School

12th Percentage: 96.3%

2021–2022

Bhilwara, Rajasthan

Shree Mahesh Public School

10th Percentage: 85.8%

2019–2020

Bhilwara, Rajasthan

ACHIEVEMENTS

- Received the **Certificate of Merit** for scoring a **Perfect 100 in Mathematics** in the class X examination.
- Secured **11th rank** in University-level Hackathon and **14th rank in SIH** at University-level.
- **Captained the School Cricket team** that qualified for the State-level tournament.

PROJECTS

Stock Analysis and Forecasting Project

Developed a stock analysis and forecasting system using machine learning and predictive modeling on historical market data to identify trends, patterns, and future price movements. Utilized models such as ARIMA, LSTM, and Linear Regression to forecast stock trends, support risk-aware decision-making, and maximize investment returns through portfolio optimization.

SKILLS

Languages: Python, C++, Java, HTML/CSS, SQL
Libraries: Open CV, Numpy, Pandas, Matplotlib, Seaborn
Developer Tools: VS Code, Replit, PyCharm, Jupyter Notebook

CERTIFICATES

- **Data Structures** **Certified by Coursera**
- **Programming in C++** **Certified by Coursera**
- **Introduction to Data Science in Python** **Certified by Coursera**
