EDUCATION

Bennett University, Greater Noida, India

2022 – 2026

Bachelor of Technology in Computer Science (6th Semester CGPA: 9/10)

Surya Public School, Lucknow, India

2021 – 2022

Class 12 (Percentage: 71%)

Tender Hearts School, Lucknow, India

2019 – 2020

Class 10 (Percentage: 93.16%)

PROJECTS

NewsWala - <https://github.com/Gaurang-Pandey/NewsWala>

- ❖ Programmed a real-time news aggregation platform that delivers the latest news articles across various categories. Configured the News API to fetch and display news dynamically, enabling seamless access to 6 different categories of breaking news ranging from sports to entertainment.
- ❖ **Tech Stack:** React Native, Expo, JavaScript.
- ❖ **Contribution:** Implemented the frontend UI, integrated real-time news API, and implemented efficient data handling.

Go Food - <https://github.com/Gaurang-Pandey/GoFood>

- ❖ Engineered the React-based frontend and Node.js backend for a food delivery application, enabling users to browse restaurants and place orders, and incorporated a MongoDB database.
- ❖ **Tech Stack:** React, HTML5, CSS3, JavaScript, Node.js, MongoDB.
- ❖ **Contribution:** Full-stack development covering backend, frontend, and database integration.

DiseaseSense - <https://github.com/Gaurang-Pandey/DiseaseSense>

- ❖ A machine learning-powered web application that predicts diseases based on user-entered symptoms and provides comprehensive health recommendations including medications, dietary suggestions, and exercise routines.
- ❖ **Tech Stack:** Python, HTML5, CSS3.
- ❖ **Contribution:** Worked on both frontend and backend components, and model training.

ACHIEVEMENTS

- ❖ LeetCode contest rating: **1,802**, ranking in the top **8%** globally.
- ❖ Ranked **7,571** in **2024 Meta Hacker Cup Round 1**

TECHNICAL SKILLS

- ❖ **Languages:** Python, Java, JavaScript, C++, HTML, CSS, SQL.
- ❖ **Frameworks:** React Native, Expo, React, Node.js, MongoDB, Express, Three.js.
- ❖ **Tools:** Android Studio, VS Code, MySQL, Git, GitHub, MongoDB Compass, Docker.
- ❖ **Soft Skills:** Leadership, Teamwork, Event Management, Problem-Solving, Communication, Time Management.

CERTIFICATES

- ❖ **Coursera Courses:** Introduction to Artificial Intelligence (AI), Simulation and Modeling of Natural Processes, React Basics, MongoDB, C++ Object Basics, Improving Deep Neural Networks, Fundamentals of Network Communication, Operating Systems, and Security
- ❖ **Infosys Springboard Courses:** LAMP in Easy Steps, PHP MySQL Training Course, Introduction to Agile Testing, Linux Practical - App Development with Linux, Linux Fundamentals, Overview of Agile & DevOps, Software Engineering.

POSITION OF RESPONSIBILITY

- ❖ **Gaming Club - Bennett University:** Senior core member of the management team.
- ❖ **Alan Turing Club - Bennett University:** Senior core member.
