Education

B.Tech in Computer Science Engineering

Bennett University, Greater Noida, India
2023 – Present

CGPA: 8.83(Fourth semester)

Technical Skills

- **Languages:** Java, C++ (DSA)
- **Web Technologies:** HTML, CSS, JavaScript
- **Databases:** SQL
- **Version Control:** Git, GitHub
- **Coursework:** Data Structures, Design and Analysis of Algorithm

Experience

Smart India Hackathon (SIH) - Team member

- Developed a fitness website as a personalized health and wellness platform to help users improve their physical fitness and maintain a healthy lifestyle. The platform served as a one-stop solution integrating workout planning, diet tracking, progress monitoring, and expert guidance.
- Implemented features such as workout tracking, meal planning, user authentication, and personalized fitness dashboards.
- Worked with technologies like HTML, CSS, JavaScript, MongoDB, etc.

Achievements

- Solved 70+ problems on LeetCode and codewars. 2024 - Present.
- Engaging with People: I love connecting with a variety of individuals and actively participating in team activities.
- Coding: I have a deep passion for software development and am always looking to enhance my programming skills.
